Brenntag provides equal employment opportunities to qualified applicants and employees of all backgrounds and identities to create a workplace where difference is valued because it forms a resilient and more innovative organization. We do not discriminate on the basis of age, disability, gender identity, sexual orientation, ethnicity, race, religion or belief, parental and family status, or any other protected characteristic. We welcome applications from women, men and non-binary candidates of all ethnicities and socio-economic backgrounds.

UNTERNEHMENSPROFIL BRENNTAG

Brenntag ist Weltmarktführer in der Distribution von Chemikalien und Inhaltsstoffen. Das Unternehmen spielt eine zentrale Rolle als Bindeglied zwischen Kunden und Lieferanten der chemischen Industrie. Von seinem Firmensitz in Essen beschäftigt Brenntag weltweit mehr als 17.000 Mitarbeiter und betreibt ein Netzwerk von ungefähr 700 Standorten in 78 Ländern. Im Jahr 2021 erzielte Brenntag Umsätze in Höhe von ungefähr 14,4 Milliarden Euro.

Unsere beiden globalen Geschäftsbereiche, Brenntag Essentials und Brenntag Specialties, bieten ein komplettes Portfolio an Basis- und Spezialchemikalien und Inhaltsstoffen sowie maßgeschneiderte Anwendungs-, Marketing- und Supply-Management-Lösungen, technische und formulierungstechnische Unterstützung, umfassendes regulatorisches Know-how und

digitale Lösungen. Als zuverlässiger, schlanker und effizienter Distributionspartner vertreibt **Brenntag Essentials** Prozesschemikalien in einer Vielzahl von Branchen und Anwendungen. Unsere Kenntnis der regionalen Märkte, unsere Reichweite und unser weltweites Netzwerk an Zulieferern und Standorten sind wesentliche Bestandteile unseres Erfolgs. **Brenntag Specialties** ist gut aufgestellt, um der führende Anbieter von Spezialchemikalien und Inhaltsstoffen in sechs Fokusbranchen weltweit zu werden: Nutrition, Pharma, Personal Care/HI&I (Home, Industrial & Institutional), Material Science (Coatings & Construction, Polymers, Rubber), Water Treatment und Lubricants. Diese Branchen benötigen unser einzigartiges Fachwissen in den Bereichen Technik und Anwendungen in einem streng regulierten Umfeld.

Im Bereich Nachhaltigkeit verfolgt Brenntag ambitionierte Ziele und setzt sich für nachhaltige Lösungen in seiner eigenen Branche und in denen seiner Kunden ein. Seit 2010 ist Brenntag an der Frankfurter Börse notiert, anfänglich im MDAX und seit September 2021 im DAX. Die Aktien von Brenntag SE sind im DAX 50 ESG und DAX ESG Target gelistet.
